“The contract for the State of Tennessee is an exciting channel through which we can provide top-quality equipment all backed by our nationally recognized service team,” explained STI’s President, Steve Smith. “We look forward to partnering with Tennessee state, municipal, and other authorized nonprofit agencies to deliver outstanding products and resources to help them maintain and enhance their respective green areas and spaces. It’s a wonderful opportunity for Tennessee industry professionals to take advantage of the very best in outdoor maintenance equipment and utility vehicles.”

About the Company

Smith Turf & Irrigation is a 4th generation, family owned, golf course and outdoor maintenance and landscape equipment, products and supplies distributor. STI, headquartered in Charlotte, NC, services the Carolinas, Tennessee, Virginia, West Virginia and Bermuda. In addition to the main offices and warehouses in Charlotte, they have distribution centers in Nashville and Richmond. Their 18 branches are strategically located throughout their territory to provide local support of residential and commercial irrigation, lighting and water garden contractors and include 7 outdoor power equipment dealerships operating under the STI Turf Care Equipment banner.
